Implementation

Parent Communication

Little Legends Early Learning Centre aims to provide as many outlets as possible for family/service communication. These include:

- Face to face.
- A notice board displaying upcoming events and notices.
- Regular informal meetings with parents and the opportunity to plan formal meetings if necessary.
- A feedback box located in the foyer where parents can anonymously (or give their names if Suggestions Box desired) make suggestions to improve the service.
- Short surveys regarding the service's philosophy and how you feel your child/ren feel about the service.
- Each family will be allocated a 'pocket' where private correspondence between educators, the nominated supervisor or approved provider and the family can take place.

If necessary, educators have support and access to translation services to provide this information for non-English speaking families.

Parent Grievances

Any parent/caregiver with a concern or complaint in relation to the running of our Service either in administration or child interaction should do the following:

- Voice their complaint or concern with the nominated supervisor or approved provider.
- Write their complaint or concern addressing it to the nominated supervisor or approved provider. You will receive a personal response unless you have chosen to be anonymous.
- Parents can speak to any educator or member of staff about a specific complaint or concern. Educators or staff will put in steps to address your concern or complaint as quickly as possible. However, educators and staff do reserve the right to have the complaint put in writing.
- If a service-wide problem has been brought to our attention all families and educators will be informed of the contents of your complaint but not your name.
- The service will use the Grievance Procedure/Register to ensure that the grievance is followed through and sufficiently investigated.
